Southwest Valley

Interchange opens at I-10/Bullard Avenue

Apr. 16, 2008 02:22 PM
The Arizona Republic

The interchange at Interstate 10 and Bullard Avenue in Goodyear now is open.

Drivers can access eastbound and westbound entrance and exit ramps to Bullard Avenue, which is between Estrella Parkway and Litchfield Road.

The project began in July and was finished on time, according to the Arizona Department of Transportation.

Meanwhile, construction continues on the I-10 widening through the Southwest Valley.

For updated construction information, go to the state Department of Transportation's Web site: www.azdot.gov/ValleyFreeways.
